KEY GUIDE

scooters, the MOJO has a very clever trick up its sleeve. If you have a small car or find it difficult to lift a folded scooter into your boot

seconds. This feature enables the scooter's lightweight components to be packed easily into a small boot.

6

The original Mobi will go down in history as one of our best-selling folding mobility scooters of all time. Rugged, compact and easy to use, this super allrounder quickly became a customer favourite. A hard act to follow.

However, with new, stronger, lighter materials, our team has made improvements we never thought possible. The ALL NEW MOBI FREE is even more amazing than the original. Upgrade to a super versatile, super reliable 2022 model today.

- Max speed 4mph
- Max drive distance 9miles
- Max capacity 125kg
